- Sense remotely or average with thermostat
- Sense range of 40° to 99°F

Wired Remote Outdoor Sensor

PRS6490

Features

- Mounts outdoors up to 200 feet away
- Enables outdoor control functions
- Sense range of -40° to 120°F

Wi-Fi Remote Access from Smartphone, Tablet or PC

Universal Smart Wi-Fi*

PRS7325WF – Up to 3 Heat / 2 Cool
Up to 2 Heat / 2 Cool Conventional

*Complete warranty details available from your local branch.

Compatibility

- Single stage conventional or heat pump systems
- Multistage heat pump systems
- Multistage conventional systems
- No common (C) wire required for Wi-Fi on most systems.**

Features

- 7 day, 5-2 day or non-programmable
- Large 3 sq. in. backlit display
- Bright blue backlight
- Auto or manual changeover
- User and installer lock modes
- SmartLimit™ temperature limits
- Auxiliary heat fossil fuel option
- Hardwire or battery powered
- Circulating fan mode
- ROHS compliant

** Wi-Fi works without common (C) wire on most systems; requires common (C) wire on heat pump, heat only or cool only systems

BlueLink™
smart connect

BlueLink Application Help Available:
www.bluelinksmartconnect.com
Requires iOS or Android™ to connect

Blue Link – Two Applications

Users or Homeowner – Smart Connect App

- Compatible with virtually all smart phones, tablets or computers when connected to the internet
- Text and email service and temperature alerts
- BlueLink QuickCopy® allows user to duplicate program and configuration to other thermostats
- BlueLink SmartData® energy report capability
- Monitor and control multiple thermostats
- Optional geo-fencing for increased energy savings
- Flexible holiday and vacation scheduling

BlueLink™
service connect

Contractors – Service Connect App

Contractors can send an invitation to their BlueLink customers to request temporary or permanent access. Once granted, contractors can view, modify and manage the approved thermostats remotely, without the need for a costly service call.

Compatible with Amazon Alexa

Amazon Alexa is a trademark of Amazon.com, Inc.

FREE contractor-branded thermostat doors and branded cards

With **ProStat™** Comfort Controls, there are no minimum purchase requirements for the contractor to advertise 24 hours a day in customers' homes. Company name and contact information will be readily available when it is time for maintenance or equipment repair.

Participating contractors can permanently pad print up to 3 lines of text (30 characters per

line) on **ProStat** Comfort Control's removable doors. Non-branded quick reference cards are already included with our thermostats.

For custom-branded cards, simply send a file of your company's logo to contractorbranding@prostatbranding.com. Upon receipt and verification, you will receive the custom-printed cards absolutely FREE.

EASY ORDERING

Pad printed doors

- Commit to purchasing **ProStat** thermostats from your local distributor.
- Fill out the Contractor Branding Services Form available at your local branch and fax to 1-866-268-8897 or e-mail to: contractorbranding@prostatbranding.com.
- After placement of order, you will receive 50 contractor-branded doors absolutely FREE, with no set-up fees or separate branding charges.
- Please allow 2-3 weeks for delivery.
